भाकृअनुप-अटारी कोलकाता ने "पश्चिम बंगाल और अंडमान और निकोबार द्वीप समूह के केवीके के लिए वर्ष 2021-22 के लिए कार्य योजना को अंतिम रूप देने के लिए समीक्षा कार्यशाला" पर एक वेबिनार का आयोजन किया

June 8th to 9th, 2021:

ICAR-ATARI Kolkata organised a two days online *‘Review Workshop for KVKs of West Bengal and A & N Islands for finalizing Action Plan for the year 2021’ from* 08.06.2021 to 09.06.2021. The workshop was participated by 23 KVKs of West Bengal and 3 KVKs of A & N Islands. The Director of Extension Education, BCKV and UBKV and Scientists from ATARI Kolkata reviewed the action plan. Dr. P. P. Pal, Principal Scientist conducted the webinar. In his welcome address, Dr. S. K. Roy, Director of ATARI Kolkata, enlightened the house with his remarks on different mandates and regarding upcoming flagship /sponsored /skill development /seed mini-kit distribution programmes. He also explained the key points of mandates i.e. technology assessment, single window knowledge system, resource centers and capacity building. It was emphasized that the new technologies identified by the scientist are to be the need base of the farmers. In both days, all SSHs were presented their Action Plan 2021-22 followed by discussion. The Action Plan was discussed in details and suggestions were invited from the house to incorporate in their respective plans. The Chairman appreciated all the KVKs for preparing judicious action plan pertaining to the concerned districts. The workshop was ended with the formal vote of thanks to the Chair.
