

Virtual Review meeting on CRM Project

ICAR-ATARI, Kanpur organized a virtual review meeting on CRM Project on 23.07.2021 @3:30 PM. Issue behind this meeting is to sensitize utilization of budget under CRM Project. In this meeting Dr. Arvind Kumar, Princiapal Scientist from ICAR-ATARI, Ludhiana participated as a nodal officer. Dr Atar Singh, Director, ICAR-ATARI, Kanpur take over this meeting on all aspect of CRM Project implemented in Uttar Pradesh.

Director ATARI, discussed with presentation slides. In his talk, he expressed how many KVKs are grouped in respective SAUs and how may KVKs have been transferred to other districts.

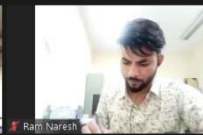

Following review have been made during this meeting –

- Dr. Arvind Kumar briefed about importance of the Project by convergence, collaboration and competition with support of all the stakeholders and women farmers should be given priority for creation of awareness so that the same can be propagated.
- Project be implemented with farmer participatory mode for awareness, laid out demonstrations, on farm mechanization, trainings etc. Rice-wheat cropping system should be managed by paddy residue management so that environment challenges could be tackled in an efficient manner.
- Non utilization of budget may affect the implementation of project. All balance budget should be utilized properly for better result. Because utilization of budget is poor in all the three SAUs KVKs. Therefore, the balance budget must be utilized under IEC activities and flexi fund etc
- Action plan prepared may be implemented properly by considering all programmes under CRM project

Total 47 participants have present in this meeting. Dr. A.P. Rao, DE, NDUAT, Ayodhya, Dr. A.K. Singh, Asso. Director, CSAUAT, Kanpur, Dr. Gopal Singh, Director Extension, SVPUAT, Meerut and other distinguished scientist have participated in the meeting.

Meeting ended with vote of thanks.
