File No 19-42/2017-SP (Volume-II)

Dated 26th July, 2018

Dear Sir/Madam,

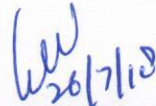

The Krishi Kalyan Abhiyan (KKA), was launched from 01.06.2018 in the Aspirational Districts. As per the reports available in the Portal, there has been a good progress in distribution of Soil Health Card, Minikits, Horticulture Plants, Vaccination and Trainings Programmes. However, progress needs to be expedited in three activities related to development of NADEP pits, saturation under AI and distribution of agri-implements.

Since, the extended Gram Swaraj Abhiyan is continuing upto 15/08/2018, in the Aspirational Districts, the Competent Authority has approved extension of KKA beyond 31/07/2018 to 15/08/2018.

I would appreciate if instructions be issued to the concerned so that balance targets under various activities may be achieved during the extended period.

With regards

Yours sincerely,

(Dr. Devesh Chaturvedi)
