Dear Dr. Singh

I would like to inform that, following the success of Krishi Kalyan Abhiyan, the Department of Animal Husbandry, Dairying and Fisheries has decided to extend the artificial insemination service under Genetic upgradation programme to 100 more villages/ district in 112 aspirational districts from 15th January to 15th April 2019.

In this regard, it is requested to extend your support in uploading the District Wise villages on KVK portal on the proposed Genetic upgradation programme for better monitoring of the activity. The list of the villages will be shared on or before 10th of January 2019.

An early reply in this regard is highly appreciated.
